Space and Naval Warfare Systems Center Awards Contract

CHARLESTON, S.C. — BAE Systems Applied Technologies, Inc. of Rockville, Maryland, has been awarded a \$16,929,837 Cost Plus Fixed Fee, Indefinite Delivery, Indefinite Quantity, multiple-award contract for services and supplies in support of Automated Fuel Handling Equipment. The contractor will provide services and material for detailed planning, design, and installation of Automated Fuel Handling Equipment and Fuel-related systems for Defense Fuel Support Center fuel terminals and other facilities worldwide as required by Space and Naval Warfare Systems Center Charleston. This contract contains three one-year options, which, if exercised, will bring the cumulative value to \$32,278,503. Work will be performed at Pearl Harbor, Hawaii (25%), Jacksonville, Florida (25%), Pensacola, Florida (20%), San Diego (10%), Ft. Benning, Georgia (5%), Japan (10%) and Europe (5%). If all options are exercised, the period of performance will continue through November 2004. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured through the Space and Naval Warfare Systems Command electronic commerce web site under solicitation N65236-00-R-0784. Three offers were received and evaluated. Two awards are being made. The Space and Naval Warfare Systems Center Charleston is the contract awarding activity (N65236-01-D-7826).
